

Invitation

Would you like to know more about the European Union? And do you want to experience the atmosphere of an international seminar with young people from around the globe?

Participants of the 2015 European Summer Course:

- learn about the fundamental aspects of European integration,
- focus on the set-up of the EU, Human Rights Protection and the Single Market,
- address the challenge of climate change, international crisis and the strive for separatism inside the EU,
- get to know the current and future tasks, e.g. a new migration and asylum policy, of the EU,
- discuss Europe's multifaceted dimensions with renowned experts,
- deepen their knowledge of Europe in international interactive working groups,
- visit the European institutions in Brussels and Strasbourg,
- extend their intercultural understanding by an interactive programme.

It was a great possibility to take a look behind the curtain of the European Institutions and to see the EU from different perspectives. The combination of professional speakers, interesting excursions and international students made it to an unique experience!

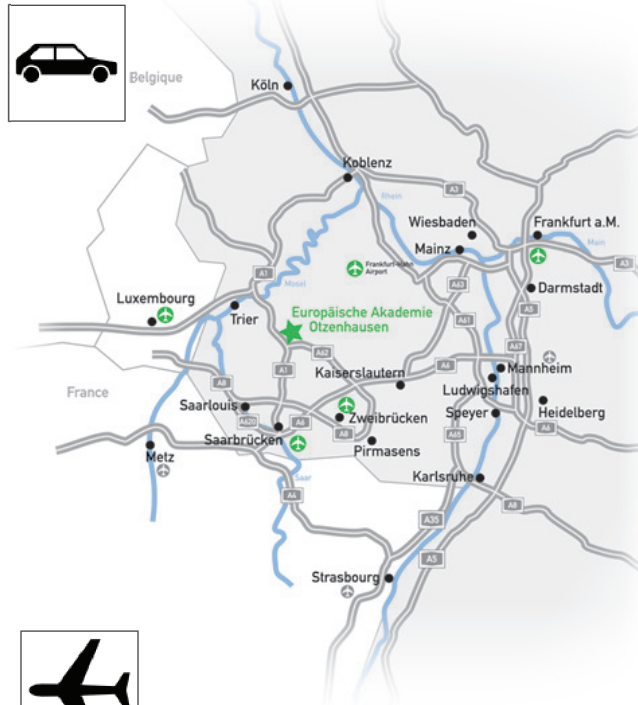

Antonella Baca, Austria

Very interesting and informative course! A lot of amazing lectures and subjects, very friendly atmosphere. Strongly recommended to everyone, it's a great summer curriculum!
